Explore home heating at the
green energy

FUN DAY

SATURDAY

14th JUNE

Discover the future of home energy!

MORNING: between 10am > 12pm

For Adults - Arrive on foot or by bike to explore a home that runs an EV, has been warm, cosy, and powered by green energy for years. Chat with the homeowner and advisors - no pressure, just insight!

Follow the signs from **The Four Chesnuts** pub, at the corner of **Whyke Road** and **Oving Road** to an Open House on Green Lane, PO197NT.

AFTERNOON: between 2.30 > 4.30pm

For Children - Entertainer Chris North leads activities.

For Parents & Carers - Enjoy tea, coffee, and cake while discovering how to make your home warm and cosy next winter.

Being sustainable doesn't have to mean high running costs - going green can be efficient and cost-effective!

Jubilee Hall, New Park Community Centre, Chichester, PO19 7XY.

Presented by TTC, with Chichester District Council and other expert advisors in attendance.

No pressure, no obligation - just inspiration, knowledge, and a glimpse into a sustainable future.

Don't miss out!
